

## **FISCAL NOTE**

### **HB 1069 - SB 1930**

March 2, 2007

**SUMMARY OF BILL:** Requires the state to pay at least 45% of the total cost of participation in the basic group insurance plan for local education agency employees, effective July 1, 2007.

### **ESTIMATED FISCAL IMPACT:**

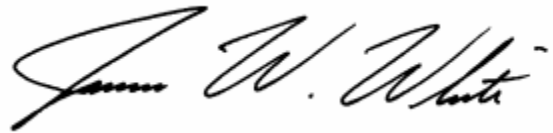

#### **Increased State Expenditures – Not Significant**

Assumptions:

- This legislation would set the level of contribution equal to 45% in state law rather than make the level of contribution subject to determination each year as identified in the General Appropriations Act.
- The current state portion for FY06-07 is established at 45% (Public Acts 2006, Chapter 963, Section 11, Item 2).
- Given the state portion would not change as a result of this bill, the increase to state expenditures is estimated as not significant.
